**202 KAR 7:601. Training, education, and continuing education.**

Section 5. EMS-TEI Operating Requirements.

(7) An EMS-TEI shall assure that all physical resources required by the curriculum, including classrooms, skill practice areas, notices of where to purchase or access textbooks, instructional aides, equipment, and supplies shall be:

- (a) Available at each class session where skills are taught or practiced;
- (b) Adequate in number to allow for practice by students enrolled; and
- (c) In good working order and well-maintained.

**Note:** Lease or MOU option will only be available until December 31, 2018

| Airway Equipment  | Present | Not Present | Lease Agreement<br>or<br>Memorandum of Understanding |
|---|---------|-------------|--|
| Automatic Transport Ventilator  |         |             |  |
| Blind Insertion Airway Device-(KING, COMBITUBE,LMA, & I-Gel)            |         |             |  |
| Bulb Syringe  |         |             |  |
| BiPAP   |         |             |  |
| Commercial ET Tube Holder   |         |             |  |
| Continuous Positive Airway Pressure (CPAP) Device                       |         |             |  |
| Endotracheal Stylette (Adult and Pediatric)                             |         |             |  |
| Endotracheal Tubes(Uncuffed 2.0-5.0 & Cuffed 5.5-9.0)                   |         |             |  |
